KATE EURISSE MARTINEZ

Manila, Philippines • martinezkateeurisse@gmail.com • 0915 272 7369 • linkedin.com/in/martinezkate • github.com/martinez-kateeurisse • martinez-kateeurisse.github.io/Portfolio

PROFESSIONAL SUMMARY

Computer Engineering student (B.S., expected September 2026) and DOST-JLSS scholar with internship experience in software development and quality assurance. Proficient in Python and TypeScript, with hands-on experience in full-stack development, backend systems, data analytics, AI/LLM integration, and IoT applications. Experienced in designing, developing, testing, and deploying reliable, data-driven software solutions.

TECHNICAL SKILLS

Programming Languages: Python, TypeScript, JavaScript, C/C++, SQL, HTML, CSS
Frameworks & Libraries: Next.js, React Native, Flask, Dash, Expo, Tailwind CSS, Pandas, PySpark
Data & Analytics: PySpark, Pandas, dashboard development, data visualization, Typesense
Databases & Backend: Supabase (PostgreSQL), REST APIs, Google OAuth authentication
QA & Testing: Manual testing, functional testing, regression testing, test case design, defect documentation
Tools & Platforms: Git, GitHub, Vercel, Zustand, OpenRouter, Arduino
Concepts: Object-oriented programming, data encryption, IoT / embedded systems, AI / LLM integration

CERTIFICATIONS

- Google Data Analytics Professional Certificate (v.3) — Coursera • Jul 2026
- HCCDA-GaussDB Course — Huawei ICT Academy • Dec 2025
- CCNA: Introduction to Networks — Cisco Networking Academy • Feb 2025

EXPERIENCE

QA Analyst Intern — DOST COPES-ITD — Project LODI*Jul 2025 – Sep 2025*

- Performed manual and functional testing on Project LODI, executing test cases and documenting defects.
- Maintained test documentation, including test cases and bug reports, for tracking and reproducibility.
- Verified bug fixes through regression testing and worked with the development team to confirm resolutions.

QA Trainee & Developer — DRJ Technology Trading Corp.*Jul 2024 – Oct 2024*

- Delivered and quality-tested internal business applications in a dual QA and development role.
- Built a company data search engine using Flask and Typesense, enabling fast full-text search across company records.
- Designed and executed manual test cases, documented defects, and ran regression testing to verify fixes.

PROJECTS

ExamPrep — AI-Powered Exam Review Platform*Next.js 14, TypeScript, Supabase, Tailwind, OpenRouter, Vercel*

- Built and deployed a live full-stack platform helping Filipino students prepare for college-entrance and scholarship exams (UPCAT, ACET, DOST-JLSS), with a gamified, Duolingo-style study path and AI-generated explanations via OpenRouter.
- Developed a content pipeline converting reviewer material into structured lessons and SQL seed scripts; configured production Google OAuth across Vercel, Google Cloud, and Supabase (PostgreSQL).

Fishmate — IoT Aquarium Monitoring System*IoT / Embedded, Web Dashboard*

- Developed a live aquarium monitoring system with an online dashboard displaying real-time sensor data and interactive 3D models rendered in the browser (HTML).

Biofish — Undergraduate Thesis Capstone*Embedded, HTML 3D Models*

- Undergraduate thesis capstone featuring interactive, browser-rendered 3D models (HTML) integrated into the project's interface.

DepEd Enrollment Dashboard — Data Analytics*PySpark, Dash, Pandas*

- Built an interactive dashboard to process and visualize enrollment data, using PySpark for large-scale processing and Dash/Pandas for analysis and visualization.

Additional: Contact Tracing App (Python OOP, encryption); Taskly - task manager (React Native, Expo); Conference Registration System (Python, email auth).

EDUCATION

B.S. in Computer Engineering — Polytechnic University of the Philippines — Manila*Expected Sep 2026*

- Honors: President's Lister / Dean's Lister (2022–2026) • DOST-JLSS Scholar

HONORS & AWARDS

- Top 10 Finalist — Annual Prototype Exhibit 2026
- DOST-JLSS Scholarship (Junior Level Science Scholarship) — Department of Science and Technology
- Batch Valedictorian (Junior High School) • With High Honors (Senior High School)
